Dear Mr. Weisberg:

I would like to order copies of the following books :

OSWALD IN NEW ORLEANS @ $27.00

FRAME -UP @ $12.50

Enclosed is my check for the above.

Every citizen of this country is indebted to you for your relentless pursuit of our right to know whatever truths there are to be found. I salute your enormous contribution to available assassination documents; your courage in taking on the powers that be. I wonder at times if there is really any way to discover what our government is concealing about the assassinations of the 60's, but I know that we must try. I want to be able to believe in my country again, the way I did before you made me open my eyes. Thank you, sir.

Sincerely,.

Angela Draper
